

Collaborative Report

Exam board meeting: 11-Sep-2015

MSc in Veterinary Education (Part-Time), 2014/15

Lead examiner: Dr Sean McAleer

Collaborating examiner(s): Professor Peter van Beukelen

The Programme

Please comment, as appropriate, on the following aspects of the programme:

1.1 Course content

The course content for the certificate, diploma and masters is clearly described and covers a wide range of relevant topics appropriate for veterinary education.

Response from college requested: NO

1.2 Learning objectives, and the extent to which they were met

The learning outcomes were relevant for the various modules and set at the appropriate level.

Response from college requested: NO

1.3 Teaching methods

I did not see any face to face teaching but evidence emanating from our visit and talks with the staff would suggest these were appropriate.

Response from college requested: NO

1.4 Resources (in so far as they affected the assessment)

The resources available were fine and not a problem.

Response from college requested:

Student performance

Please comment, as appropriate, on:

3.7 Please provide any additional comments and recommendations regarding the procedures

As before I fail to see how a 15 point marking systems benefits this type of programme.

4.7 The standards set for the awards are appropriate for qualifications at this level, in this subject

Yes

Completion

If you have identified any areas of good practice, please comment more fully here. We may use information provided in our annual external examining report:

Do you have any suggestions for improvements based on experience at other institutes? We may use information provided in our annual external examining report:

The academic staff put a lot of hard work into this programme and are backed up by a good administrative set up. I have no issues with this course.
