If you have identified any areas of good practice, please comment more fully here. We may use information provided in our annual external examining report:

5.1 Do you have any suggestions for improvements based on experience at other institutes? We may use information provided in our annual external examining report:

Compared to the previous year the experience with Learn as exam platform was improved, but further improvements should be considered to support the exam team in their work. Loading pages was considerably faster, but movement between pages would allow some improvement. A search option and access to all pages for selection instead of first, last and next would be advantageous.
