

**RESEARCH DEGREE EXAMINATION
PRELIMINARY REPORT OF EXAMINER
Candidates for MRes**

Name of Candidate:

Title of Thesis:

.....

Name of Examiner:

.....

Date of Oral Examination:

This report should be prepared independently of the other examiner and a copy sent to the Research Degrees Officer in advance of the oral exam. Examiners should discuss the content prior to meeting the candidate in order to agree the structure of the oral exam.

3. Candidates for the MRes degree must submit a dissertation and be examined orally. Having read the dissertation, are you aware of any reason(s) why the oral examination for this candidate should not go ahead (e.g. evidence of extensive plagiarism).

Yes / No

If the answer to the above question is yes, please detail your concerns below which will be brought to the attention of the Head of the Graduate School.

Signed: _____ (Examiner)
