in the case of any purchase or other acquisition by or for the corporation of securities of such a class, the corporation shall, in the exercise of its proper powers, exercise its best efforts to acquire such securities on terms that will not be more burdensome to the corporation than the acquisition of such securities in the open market, and if the corporation is unable to acquire such securities on such terms, it may nevertheless acquire such securities in the open market, and it may acquire such securities in the open market on terms that are more burdensome to the corporation than the acquisition of such securities in the open market, and it may acquire such securities in the open market on terms that are more burdensome to the corporation than the acquisition of such securities in the open market, and it may acquire such securities in the open market on terms that are more burdensome to the corporation than the acquisition of such securities in the open market.

any person who has acquired securities of the corporation in violation of the provisions of this certificate of incorporation shall be liable to the corporation for the purchase price of such securities, together with interest thereon, and the corporation shall have the right to recover such amount from such person.

in order to protect the interests of the shareholders, the corporation shall have the right to suspend the voting rights of any class of securities if such class shall, in the exercise of its proper powers, be found to be acting in a manner that is not in the best interests of the corporation.

each of the directors of the corporation shall be elected by the shareholders of the corporation at a meeting of the corporation called for that purpose by the board of directors, and each director shall hold office until his successor is elected, and the board of directors may fill any vacancy that may occur in the board of directors, and the board of directors may also increase or decrease the number of directors, and the board of directors may also determine the powers, duties, and authority of the directors.

The officers of the corporation shall be elected by the shareholders of the corporation, and the officers shall hold office until their successors are elected, and the board of directors may fill any vacancy that may occur in the office of any officer, and the board of directors may also determine the powers, duties, and authority of the officers.

The Academic Board

There shall be a body known as the Academic Board, whose members shall be elected by the shareholders of the corporation, and the Academic Board shall have the right to elect or remove any member of the board of directors, and the Academic Board shall have the right to elect or remove any officer of the corporation, and the Academic Board shall have the right to determine the powers, duties, and authority of the members of the Academic Board.

The Principal and the Chairman of the Academic Board seeings and
